

Jason Stateham sketch

INT. BANK-DAY

The goings on of a bank are loudly interrupted when a group of bankrobbers(ROBBER 1, ROBBER 2, ROBBER 3) bust in, guns in hand.

ROBBER 1:
Nobody move, this is a hold up.

ROBBER 2:
Get down on your stomach, keep your face to the ground. show me some hands. Do as we say and nobody gets hurt.

ROBBER 3:
Alright, I need everyone to take their phones and wallets and put them in this bag. No heroics, people!

Robber 3 goes around with a canvas bag and collects the cellphones. He returns to huddle with the other robbers.

ROBBER 3:
Boss, we gotta go.

ROBBER 1:
What? No. Not until we get the contents of the safe.

ROBBER 3:
Nah man, I'm for real. We gotta go now!

ROBBER 1:
Why?

ROBBER 3:
See that bald guy over there?

ROBBER 1:
Yeah?

ROBBER 3:
I think that's Jason Statham.

ROBBER 2:
Holy shit, we gotta go.

ROBBER 1:

Hold on! What's gotten into you two?

ROBBER 2:

Boss, you don't get it. Jason Statham. He could kick all of our asses.

ROBBER 3:

Easily. Yo, for real, in the Transporter, he grabs one bad guy by the neck then he pulls him in an armlock and then he has that bad guy shoot another bad guy with his own gun before snapping his neck.

ROBBER 2:

Holy shit, I haven't even seen that yet.

ROBBER 3:

It's in the extended cut, it's so rad.

ROBBER 2:

What if he does that to me though? I don't want to shoot you.

ROBBER 3:

I don't want to shoot you either. I love you man.

ROBBER 2:

I love you too, man. You're like a brother to me.

The two start blubbing a bit.

ROBBER 1:

Pull yourself together, for god's sake. We don't even know if that is Jason Statham.

He breaks out of the huddle.

ROBBER 1 (CONT'D):

Erm, excuse me, would the erm, bald gentleman over there please raise up his face for a bit.

We hear a Jason-Statham-like grunt that only Jason Statham could make. ROBBER 1 turns back into the huddle.

ROBBER 1 (CONT'D):
(appreciative)Wow, it is Jason Statham.

ROBBER 2:
So, can we go now before he beats the shit out of us like he beat the shit out of the bad guys in the Transporter 2?

ROBBER 3:
Or how he beat the shit out of all those guys in Fast & Furious 6 through 9?

ROBBER 3:
Or how he beat the shit out of that shark in the Meg?

ROBBER 1:
Guys, would you relax? Just because it's Jason Statham doesn't mean he's going to beat the shit out of us.

ROBBER 3:
What are you, high? That's exactly what he'll do.

ROBBER 1:
No, listen. Those are just movies. Alright? He's an actor. He just pretends to beat up bad guys.

ROBBER 2:
We're not idiots, ok? We know what movies are.

ROBBER 1:
Well, then what's the big fucking problem?

ROBBER 3:
It's this, alright? You remember the scene in 'Twins' where Danny DeVito's character beats up those bad guys?

ROBBER 1:

No.

ROBBER 2:

Exactly. Because everybody knows
Danny DeVito couldn't beat up bad
guys!

ROBBER 3:

Now, Jason Statham on the other
hand, ONLY plays characters that
beat up bad guys, because...

ROBBER 1:

Because Jason Statham could
totally beat up bad guys.

ROBBER 2 & 3:

Exactly!

ROBBER 1:

Holy shit. Grab your shit. We can
still make it before he gets up.

ROBBER 2:

Wait, where is he?

ROBBER 3:

Oh no...

Jason Statham suddenly appears behind him and takes his
arm in an armlock. He uses Robber 3's arm to shoot Robber
1 and 2 in the head. Then he snaps Robber 3's neck. ROBBER
3 crumples to the ground to lie beside Robber 2.

ROBBER 3:

(dying)So...rad...

ROBBER 2:

(also dying)Totally...

Blackout.
